VIRTUAL AIR TRAFFIC MEXICO

May / 8 / 2009

This is a promotional graphic for the 'World Annual Fly-In Mexico 2009'. It features a large, dense collection of various commercial and private aircraft flying over a cityscape, with 'Ciudad de México' visible in the background. The text is arranged as follows:

- Top: 'Yep, we're gonna get busy, and you wouldn't wanna miss it!!!' in blue.
- Center: 'WORLD ANNUAL FLY-IN MEXICO 2009' in large, bold, multi-colored letters (green, white, red).
- Bottom Left: 'May/8/2009' in large blue letters, with '18:00 till' 24:00 CST / 23:00 till' 05:00 UTC' below it.
- Bottom Right: 'Arrival Arpt. MMMX' in blue, with 'visit: www.vatmex.com' below it.
- Small text at the bottom right: 'Copyright 2005 Homato'.

México Fly in 2009

VIRTUAL AIR TRAFFIC MEXICO

Virtual Air Traffic Mexico , VATMEX, invites you to our traditional Fly in that will take place on Friday May 8th 2009, starting at 18:00 (Mexico City local time = Central Standard Time = 23:00 z)

This year, Mexico City Airport (MMMX) will host this annual event; there will be full ATC coverage in MMEX Ctr for the proper approach to your destination and/or your departure.

In addition we intend to have ATC service in the other 3 centers MMTY, MMZT and MMID for those pilots who want to fly to another destination (MMMY, MMGL, MMUN an MMSD)

Come to Mexico and be prepared to have fun, excitement, but most of all a splendid taste of our service.

For your convenience we encourage you to read the Event bases and restrictions.
